Reminder

Dear Tenants,

Starting June 15th, Parking permits will be required. Every tenant has to have one for their vehicles. The parking permits will be available in the Leasing Office 9 to 4 weekdays and cost \$10 for each of your vehicles. You have to install them on the front window by June the 15th.

On July 1st towing will be enforced. No more parking on the common area grass OR, sticking out on side of the roads, OR on the grassy areas in the front of your yard. Everyone has driveways and parking areas, so please use them OR your car will be towed starting at 10 PM Sun thru Thursday and starting at 11 PM on Fri Sat.

All auto repairs need to be done outside the park OR if your car is sitting up on blocks or ramps for more than two days it will be towed. All vehicles must have current registration stickers. No exceptions.

Thanks, Tonya Parish

Management, Cash Flow Properties
